Ciara Mercer Bishop was born and raised in DeSoto County, Florida where she graduated from DeSoto High in 2016. She married her husband Kyler in March of 2020, who is a watermelon farmer and cattleman. They currently reside in Charlotte county near his farm while still doing the majority of their business in Arcadia. Ciara's roots run six generations deep in Desoto county and agriculture, which has provided her with an inborn passion for serving those who wish to call this area home. That same passion sparked her desire to obtain her Real Estate License in 2018. Whether your interest lies in waterfront properties, agricultural living, or the city life, Ciara's attention to detail and desire to deliver top quality service ensures a pleasurable experience when buying or selling with her. Ciara is proud to call Arcadia her hometown and looks forward to one day raising her family here while continuing to serve its citizens.
