ABOUT ME

With deep community roots, Sara is a lifelong resident of DeSoto County and graduated "Class of 2004" from DHS. She shares most of her time with her Husband, three children, family and friends enjoying the outdoors or boating on the Peace River. Sara volunteers at local events to support local businesses and community growth. Her career began in Real Estate in 2006, as she managed a local real estate office but later became a certified corrections officer working nearly 10 years in a correctional setting. With Sara's prior knowledge in real estate and expertise, she will bring her dedication, hard work and motivation to make the most satisfactory experience to all buyers and sellers. Sara quotes, "Don't wait to buy real estate. Buy real estate and wait."
