

MEET THE AGENT:

CIARA MERCER BISHOP

Ciara Bishop was born and raised in DeSoto County, Florida where her roots run six generations deep in the community and agriculture. Ciara's love for South Florida is what sparked her interest to obtain her Real Estate Sales Associate license in 2018.

In 2022, after a successful 4 years in the industry, Ciara obtained her Real Estate Brokers license. While choosing to continue working at the same local firm as a Broker's Associate, Ciara focuses on vacant land sales, sprawling estate sales and waterfront properties for the majority of her business. Her experience in large vacant land sales has allowed her the opportunity to take classes through the prestigious Realtors Land Institute where she plans to become an Accredited Land Consultant to better serve her clients.

Ciara and her Husband Kyler, also a native Floridian and farmer/cattleman, reside in Arcadia where they enjoy raising their son. Having grown up on her families ranch, and now a farmer's wife, Ciara understands the dedication, work ethic, integrity, and passion that it takes to get the job done.
