ABOUT ME

Linda Ellis is a third generation DeSoto County resident. Having been born and raised in Arcadia, she has deep roots within the community that gives her a unique perspective and appreciation for the people who reside here and for those coming in. Linda married her husband, Bert in 1999 and they have one son Christopher who graduated from DHS in 2022 and is currently pursuing a career in law-enforcement. Linda is quite the outdoor enthusiast as she is an avid gardener and most days off you will find her and her husband boating, fishing or fossil hunting on the Peace River. After 20 years of retail management, Linda changed careers in 2004 and became a full-time licensed real estate agent in Lee County. She specializes in residential properties and she is also a certified foreclosure agent. Linda is excited to be back in her hometown working with the Town & Country Properties team and is honored to be able to bring her experience and professionalism to serve all of DeSoto County and surrounding area residence with their real estate needs.
