ABOUT ME

Chris is a sixth-generation Floridian and a lifelong resident of DeSoto County. He is married to broker Ronda Woppman, and together they have built both a family and a lasting presence in the community. After 30+ years of marriage, Chris and Ronda are proud parents of three children and five grandchildren, all of whom live, work, and/or attend school right here in DeSoto County.

In addition to being a part-time real estate agent, Chris is the owner of DeSoto Drilling Inc., a licensed underground utility construction company. While the majority of his time is devoted to running DeSoto Drilling Inc., he occasionally "switches hats" to real estate to assist with select transactions.

Whether in construction or real estate, Chris approaches every client interaction with honesty, integrity, knowledge, and a strong commitment to customer needs. His deep roots in the community and decades of experience make him a trusted resource for those looking to buy or sell in DeSoto County.
